OCH29 - OCHO RIOS & DUNN'S RIVER FALLS

ACTIVE & ADVENTURE

Time to leave the ship and instead visit one of Jamaica's premiere attractions, the gorgeous Dunn's River Falls near Ocho Rios, which you'll reach after a scenic drive. A plaque provided by the Jamaican Historical Society marks the spot as the site of the battle of Las Chorreras, fought by the English and the Spanish over land rights in 1657 - with the English as the victors. The land was ultimately acquired by the Jamaican government in 1972, since which time it has served locals and visitors alike as a popular recreational area and park. The spring water that feeds the falls is rich in calcium carbonate, which results in deposits of travertine and makes the falls a self-regenerating "living" phenomenon. After a drive to the Dunn's River, your guide will lead you up the naturally terraced river bed as part of a human chain. The climb includes a short pause at the so-called "massage parlour", where the cascading water can soothe tired shoulders. As an alternative to the climb, there are safe spots from which to watch the others ascend the falls. Next up is a tasty Jamaican lunch by the sea, after which a sightseeing drive around Ocho Rios rounds off the tour before optional shopping (time permitting) and you return to the ship. Please note: guests are recommended to wear swimwear under comfortable clothing, high-factor sunscreen and to bring a towel plus a change of clothing if swimwear is not worn at the waterfall. Slip-proof or water shoes should be worn since climbing the falls' many terraced steps is both strenuous and very slippery. Guests wishing to climb the falls must be at least 92 cm/3 ft. in height. Guests will not be permitted to jump from the falls. Please advise of any food allergies. Menu subject to change. Lockers are available for rent at the falls for an additional charge. There may be a queue to climb the falls.

As the raft makes its way past shaded banks and dappled sunlight as the mild river breeze washes over you, hear the story of the "Matibereon" as you float along the river, relaxing in an atmosphere of tranquility. Arriving at the Rafter's Rest, the bus awaits for the return trip to Ocho Rios. Please note: guests must be at least 3 years of age to take part and all children must be accompanied by a paying adult. The raft carries two passengers and is guided by an expert rafts-man. ### OCH34 - DUNN'S RIVER FALLS EXPRESS

**ACTIVE &  
ADVENTURE**

Leave the ship for a while and instead venture out to one of Jamaica's most popular natural wonders, the Dunn's River Falls near Ocho Rios, which you'll reach by coach. The waterfall is fed by spring water with a high concentration of calcium carbonate, which in turn leaves deposits of a rock called travertine. As a result, the falls count as a living - and growing - phenomenon. Once at the falls and following a safety briefing, you'll form a human chain and be led up the naturally terraced river bed by your experienced guide. Then enjoy a stop at the so-called "massage parlour" and experience the soothing effect of the cascading water on its way to the sea. For a more leisurely look at the falls, you can also spend the time comfortably seated on the terrace or deck and simply watch the proceedings. The surrounding forest, by contrast, provides the perfect setting for a walk through tropical vegetation including ferns, bamboo, ginger lilies, orchids, palms and breadfruit trees. Optional shopping (time permitting) and your return to the ship finally bring the tour to an end. Please note: guests are recommended to bring a towel as well as to wear high-factor sunscreen, swimwear and non-skid water shoes, since climbing the many steps of the falls is both strenuous and slippery. Water shoes are available for hire at the waterfall. Guests wishing to climb the falls must be at least 92 cm/3 ft. in height. Guests will not be permitted to jump from the falls.

#### OCH36 - FLAVOURS OF JAMAICA

**SOMETHING SPECIAL**

Good food is one of life's most basic pleasures and this half-day tour will give you a chance to cook up some of Jamaica's varied cuisine yourself. Whether you're a budding master chef or tend to shun the kitchen, you'll find this experience is at once fun, educational and a treat for your taste buds. You'll first travel from Ocho Rios to the beautiful Prospect Plantation Great House, which originally dates back to the 18th century. During a visit to Jamaica in the early '50s, Sir Winston Churchill planted a mahogany tree in the grounds, under which you will first be greeted by your friendly hostess and then taken on a scenic walk through the ornamental gardens. There's also a fabulous view of the sea to enjoy before you head for the veranda and your cooking class. With chef "Irie" at the helm and you at your own workstation, you'll find out how to make "Dolphin Cove Special Blend Jerk Sauce" and coconut with shrimp, prepare a leafy green called callaloo ready for steaming and knead dough for lovely little deep-fried dumplings known as "Jamaican festivals". You'll also prepare your own jerk chicken, which you can then savour when you sit down for a typically Jamaican lunch. The outing ends with your return to the ship. Please note: guests must be at least 10 years of age to take part. Guests are further recommended to wear comfortable clothing and shoes. Guests are advised to leave jewellery and other valuables on board the ship. Beverages are available at additional cost not covered by the price of the tour.

#### OCH39 - DISCOVER GREEN GROTTO CAVES

**NATURAL WONDERS**

Take a scenic drive through the town of Ocho Rios, which is known for its abundant rainfall, verdant landscapes and rolling hills. Other outstanding vistas will be seen along the way, as you travel to Green Grotto Caves, for a touch of adventure and a journey into the underground. The caves are situated no more than 1 km from the spot where Christopher Columbus landed in 1494 and the fact that Runaway Caves numbers among their many former names is testament to one of the uses to which they were put in the 18th century. The caverns also provided sanctuary for the Spanish in the 17th century, later facilitated the activities of arms smugglers and were then used to store rum. Impressive dripstone formations such as stalactites and stalagmites, interconnected passages leading to larger chambers and the grotto itself - with a pool of crystal-clear water - are just some of the attractions that go to make this place so special. On your way back to the surface, a stop will be made at the so-called "Wishing Well", a pool into which you'll do well to throw a coin, for luck, for love, for anything your heart desires. Once you return the surface, the coach will be waiting to take you to do optional shopping (time permitting) and back to your ship in Ocho Rios. Please note: this tour is considered to be unsuitable for guests with mobility problems.
