

Love Like You Mean It 2025 March Update

The Cruise Team is fresh off of our site sailing on next year's ship, the beautiful MSC Seascapes. You can [watch Tim & Tanya's video update HERE.](#)

After spending time on the ship, meeting with its staff, and learning about all the amenities it has to offer, we are thrilled to report that we will be able to do a lot of things our cruisers have asked for in the past.

- Earlier concerts and sessions
- Pool deck concerts during the day
- There is a really cool atrium that will see a lot of activities
- We can Livestream main sessions, much of our content, and even some of the entertainment

Details are coming soon on the FIRST EVER - Love Like You Mean It's Got Talent! We are in conversations with a certain former FamilyLife radio host to come emcee and judge...watch the video to find out who - and pray he accepts.

MSC continues to be a great business partner with us. We learned that the Seascapes is so popular, that they have not let a charter take this ship. WE will be the first Full-Ship Charter! The ship was launched in 2022 and has some amazing technology and beautiful spaces.

Key Reminders:

- Alumni discount ends on Friday, March 8th
- Price goes up on Saturday, March 9th
- Cruise Madness March Sale begins on Monday the 11th
- Referral plan is active - invite your friends who have not attended
- We are over 40% full and will be close to 70% full by the end of March

Our team is really excited to spend the next year creating an amazing experience for you. We will be communicating a lot of key information along the way to help you prepare!

Stay tuned - lots more to come!!
